## NEWSLETTER

Session 2020-21

**Saturday 19<sup>th</sup> June, 2021**  
Dhu'l-Qi'dah 9, 1442 AH

Dear Parents/Guardians and SETTIANS,

Session 2020 has come to an end. This year had been the most challenging year in the history due to the pandemic of Covid -19. This year led us to explore a lot within ourselves.

This year was not only challenging for health and safety but also for education systems. The world is now exposed to new areas of technology and so had the schools. This year students effective learning was the biggest challenge for the schools/teachers and parents.

Session 2020 opened a door of an amazing E-Learning system to our students and teachers.

With the tremendous support of The Learning Pitch team, our school launched SET-EDBOX. The feature broke the barrier of distant learning, as it provided teachers' recorded lectures, reference videos, online quizzes and tutorials to learn and access widely. It enabled us to enter into the new world of digital learning and acquire updated techniques to teach children online.

We appreciate parents and students who supported the idea, shown cooperation in making it successful. We expect a similar support in future too. Salute to our teachers for their untiring efforts in recording lectures, designing assessments and making distance learning possible.

Wishing everyone luck for the coming year.

Hina Arshad

## Pet Day

**“A house is not a house without Pet”**

It is proved that animals are our friend, We establish intimacy with them by keeping them as our pets. Sometimes they are kept in cages. There are some pet animals who are allowed stay with us freely. There are many benefits from having a pet in a child’s life from fostering natural nurturing abilities to developing responsibilities, pet have a long life impact on child’s development. THE SET SCHOOL also celebrated pet day on **Thursday, 29th October 2020**, teacher discussed their pet’s name, food, where they live and habits. The day continued with rhymes and different activities like cotton pasting on sheep, rabbit and chick, coloring cutouts related to pet day.

## Activities and Participation

Children need to be active every day to promote their healthy growth and development. Kids who establish healthy lifestyle patterns at a young age will carry them - and their benefits - forward for the rest of their lives.

Physical activity can help kids cope with stress. Creative activities help your child to develop many thinking skills. These skills include- problem-solving, developing their imagination, concentration and critical thinking.

## Transport Activity

**“Public transportation is like a magnifying glass that shows you civilization up close”.**

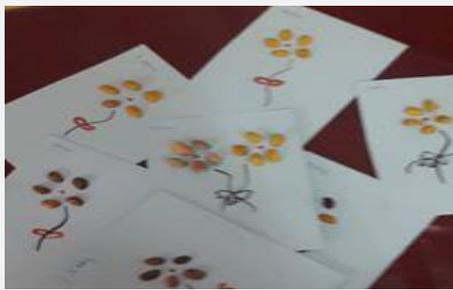

Transport plays an important role in human life. Think if there is no transportation then what will happen? Human life will be halted and staked in a place. Transportation makes human life easy to give more knowledge about transport, “THE SET SCHOOL” celebrated their Transport Day on **Thursday, 21st January 2021**. As the classes were online due to lockdown students did the show and tell activity on zoom meeting and they all enjoyed the day with fun filled activities.

## Children’s Day

**“Children are the flowers from heaven. Let’s make this world a safe and enjoyable place for our kids.”**

Universal Children’s Day is a day to recognize that children are important and valued members of the society. It’s a day to celebrate children just for being themselves. It is a day to listen to children, to marvel at their uniqueness and all they have to offer. Most importantly, it is a reminder that children need love and respect to grow to their full potential. THE SET family always strive to arrange out something new for its Settians and children’s day being a day especially for them. For this purpose, **THE SET School** have arranged a program, on **Thursday 19th November 2020** having different activities for our little champions. These activities enrich self-confidence and help children to come out of stress and feel refresh. Children played different game such as musical chair, outdoor game and prepare a piece of Art with the help of teachers.

## Profession day

“The best way to predict the future is to create it”

Profession day was an opportunity for our students to explore information about occupations, learn to do specific age-appropriate chores to help their family, and enjoy their day in an educational and entertaining atmosphere. Profession Day was celebrated at **THE SET SCHOOL** on **March 18, 2021**. Students had the opportunity to think about and choose what they would like to become when they grow up. Students dressed up as different professionals and they had their tools and related objects displayed in front of them. They explained their different professions to the other students from different classes visiting them.

## Colour Week

“Colour are the smiles of nature”.

Colours speak all languages, they are the symbols of love and life. It plays an important role in every one's life. World has no taste without colours. Colours play an important role in children's life too. By the help of specific vocabulary and observations, students develop their ability to describe their world in terms of colours. They also explore how to create colours by mixing them and where colours are found in the environment. So, to make them recognise the significance of colours, the students of **THE SET SCHOOL** Campus 1 celebrated their “Colour week” with fun and enthusiasm on **Monday 22<sup>nd</sup> February till 25<sup>th</sup> February 2021** in the school premises. All the teachers and children from pre-primary classes were dressed colorfully to celebrate this occasion. The classrooms were decorated with different colours to welcome our children. Our tiny tots looked beautiful with their coloured attires. All the children enjoyed this special day and went home with smiles on their face.

## Art Week

“Art is a place for children to learn to trust their idea, themselves and to explore what is possible.”

Art is an activity or creation by people that has importance because of an attraction to the human senses. .... Many people say people are driven to make art due to their inner creativity. Art includes drawing, painting, sculpting photography, performance art, dance, music, poetry, prose and theatre. Art is made when a human expresses himself or herself.

**THE SET SCHOOL** celebrated art week on this date **16<sup>th</sup> till 19<sup>th</sup> November 2020**.

Children will do so many activity like colouring, painting, collage e.t.c teacher will display so many art work on this days children do colouring cutouts related to art week.

## Handwriting Contest

Mahatma Gandhi regards bad handwriting as a sign of imperfect education. I won't disagree with this historic man here. Also, according to Insider, our handwriting tells a lot about our personalities. It's used for a variety of purposes, from criminal investigations to understanding your health. Some employers even use handwriting analysis to screen potential employees for compatibility. According to Khati McKnight "Just from analyzing your handwriting, experts can find over 5,000 personality traits" Keeping this essential skill in our minds **THE SET SCHOOL** organized a contest to enhance handwriting skills of the students. In Primary Section classes I-V participated in the contest. Three best scripts were chosen from I-III and two best from IV & V. The certificates were handed over to them on **April 1st, 2021** to encourage their efforts. As they received their certificates there was a wave of joy all over their innocent faces. They seemed motivated and super excited for the future competitions. And as for the runner ups they promised to do better and improve their selves.

## یوم اقبال

نہیں ہے نا امید اپنے کشت ویراں سے  
ذرا نم ہوتو یہ مٹی بڑی زر خیز ہے سا قی

علامہ اقبال ہمارے قومی شاعر ہیں ان کے افکار و خیالات نے مسلمانوں کے ذہنوں اور دلوں کو بیدار کیا ان سے عقیدت اور احترام کا جذبہ سب کے دلوں میں موجود ہے جس کا اظہار وہ ہر سال ان کے یوم پیدائش کو مختلف و منفرد انداز سے منا کر کرتے ہیں۔ ہر سال کی طرح اس سال بھی **دی سیٹ اسکول** کے طلباء نے یوم اقبال کے موقع پر عقیدت اور احترام کے جذبات کا اظہار کرتے ہوئے علامہ اقبال کی مختلف نظموں کو ٹیبلو کی شکل میں پیش کیا۔ علامہ اقبال کے فکری افکار و خیالات کو اپنے الفاظ کی صورت میں مختلف تقاریر کے ذریعے سامعین کی سماعت تک پہنچایا تاکہ آج بھی ان کے افکار ہمارے ذہنوں میں تازہ رہیں اور ہمیں آگے بڑھنے کے لیے ہمت و طاقت عطا کریں کیونکہ بقول علامہ اقبال

دل سے بات نکلتی ہے اثر رکھتی ہے  
پر نہیں، مگر طاقت پرواز مگر رکھتی ہے

## ICATS

"Winning is important to me, but what brings me real joy is the experience of being fully engaged in whatever I'm doing."

Education and academic competitions are two most important elements of human life and these two have always been considered significant. Competition always helps students to develop their creativity and their skill sets. It also boosts their self-esteem, motivates them to become better and makes them mentally strong. Competition has become the only manner of measuring the calibre of students. Art and creative writing competition also provide students an opportunity to display and share their creative efforts. This competition not only support students to refine their creative voices but also offer them a foundation for lifelong writing and creating pieces of Art. To emphasize on these objectives **Settians** also participated in ICATS and **21** children took part in the competition.

## English/Urdu Letter Writing

Urdu and English letter day activity was arranged on 1<sup>st</sup> April. Students posted letters to their favorite teachers. Post box was placed in the staff room where students dropped their letters class wise. They enjoyed this activity a lot. Next day teachers gave them reply and some students worked as post man they dropped students answers by teachers. Students were very delighted to see their reply.

## English & Urdu Reading Program

"Reading is a multifaceted process involving word recognition, comprehension, fluency and accuracy for the readers."

On **March 4th 2021** the Set School arranged the reading comprehension activity for the students. The main objective includes enhancement of reading comprehension skills as well as to make the students an independent reader, to enhance the critical thinking and also to improve different skills such as (**vocabulary, fluency, sentence construction and cohesion**) throughout the whole activity all students solved worksheets (**regarding book review**) watched stories and gave presentations. Further students were asked different questions to assess their cognitive thinking skills. They were also told about the benefits of reading. It was great activity for the students and all the students participated very well.

In today's world, general knowledge & Islamic knowledge is critical for your child's growth & success. The key is to gain and learn more knowledge about different areas. A child's success depends on how much he or she is learning from the surroundings. For this purpose quizzes help students identify what they know & what they don't know. Keeping this in view the importance of quiz competitions, **THE SET SCHOOL** arranged Islamiyat quiz competitions in September 2019. Students showed their interest & they participated in the competitions with great zeal. The students did really well & prizes motivated to do well.

## Math Olympiad

Everything around you is mathematics  
Everything around you are numbers.

Math helps us think analytically and have better reasoning abilities. ... Reasoning is our ability to think logically about a situation. Analytical and reasoning skills are essential because they help us solve problems and look for solutions. Tests and Quizzes play an important role in learning Mathematics and enhance the analytical and reasoning skills and provide an array of benefits for both the learner and the instructor. Quizzes like this helps to assess the mathematical skills, proficiency and aptitude of the students.

Keeping this in view the importance of Mathematics quizzes,

**THE SET SCHOOL** arranged Maths Olympiad at school on 17<sup>th</sup> November 2020 from class I till v. The purpose behind the contest to develop love towards Mathematics. Students showed their interest and they participated in the competition with great zeal and the enjoyed the activities and they performed very well.

## Art Aur Hum

“Every child is an artist; the problem is staying an artist when you grow up”

In wise words of Albert Einstein “Imagination is more important than logic”, and what could be more better way to illustrate one’s imagination except through art? Art instills a love of learning and acquiring knowledge. It is an international language that everyone speaks. Spreading colors on a canvas and casting spells through it on people’s mind is a great deal. People like Mozart, Picasso, Van Gogh, and many others like them changed the world through their art, and became inspiration for many after them. Therefore, **THE SET SCHOOL** decided to provide opportunities for the young artists who are inspired by the great painters to step ahead and show their expertise in art, with the help of Art aur Hum. Art aur Hum is a contest for creative young minds to show their capabilities in arts. SET SCHOOL participated in it on **22<sup>nd</sup> February 2021**.

Students who participated in the contest:

Class I	Class II	Class III
Saqlain Navi	Abbas Raza	Falak Zehra

*Congratulations!*

- ❖ Falak Zehra of Class III was selected in top 50 in Art aur Hum contest from **THE SET SCHOOL**.

FATHER'S SACRIFICE IS ALWAYS GIFT OF ALLAH

The Set School, Federal "B" Area, Karachi.

## Qeds

In THE SET SCHOOL, we started the new program named “**QEDS program**” from 1<sup>st</sup> April 2021 till 16<sup>th</sup> April 2021. The purpose to organized projects on different themes to engage our learners in project-based learning. Students enjoyed this program a lot and learned different skills that will help them in their future. This QEDS programs focuses on learners centered learning and comprises of four phases **QEDS**

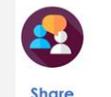

In this program students first generate big questions. Through hands on activity identify real questions. This phase builds critical thinking skills

With the help of resources like internet, books and newspaper students **Explore** the topics. This phase helps **students** to think out loud.

**Design** a project is an easy way to incorporate literacy and creativity into learning. This phase encourages **students** to engage with their work and each other.

**Share** information build confidence, it is a skill that most people will need in the world of work. This phase empowers **students** to feel confident about their ideas and improves speaking and listening skills.

The students of THE SET SCHOOL enjoyed this project based learning and took part in it enthusiastically.

# یوم پاکستان

میرے مولا میری دھرتی کو سلامت رکھنا  
 لعل و یاقوت سی مٹی کو سلامت رکھنا  
 میری دھڑکن میری پہچان میرا اثبات وجود  
 میرے خالق! میری بستی کو سلامت رکھنا

قرارداد پاکستان جنوبی ایشیاء کے مسلمانوں کی تاریخ کا سنگ میل تھی۔ اس نے شمال مشرق اور شمال مغرب میں مسلمانوں کے لئے ایک حقیقی مقصد اور اپنے آبائی وطن کا عزم کیا۔ قرارداد پاکستان کی منظوری سے تحریک آزادی کی رفتار تیز ہو گئی۔ اسے لاہور میں 23 مارچ 1940 کو مسلم لیگ کے سالانہ اجلاس میں منظور کیا گیا اس قرارداد کو قرار داد لاہور کے نام سے بھی جانا جاتا ہے۔ اس دن کی یاد کو تازہ کرنے کے لئے دی سیٹ اسکول نے ان مشکل حالات میں بھی ۲۲ مارچ ۲۰۲۱ء کو یوم پاکستان کا اہتمام کیا۔ اس موقع پر طلباء نے ملی نغمے، ٹیلیو، تقاریر اور مختلف خاکے پیش کر کے وطن سے محبت کا اظہار کیا اور اس بات کا عہد کیا کہ ہم ہمیشہ اپنے وطن کی ترقی کے لئے اہم کردار ادا کریں گے۔

اللہ تعالیٰ سے دعا ہے کہ

یا اللہ پاکستان کو ربّتی دنیا تک قائم فرما۔

سر زمین پاکستان کی حفاظت فرما۔

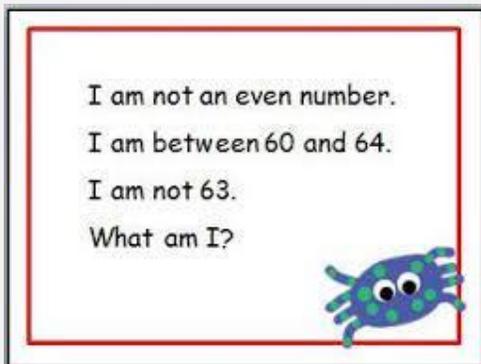

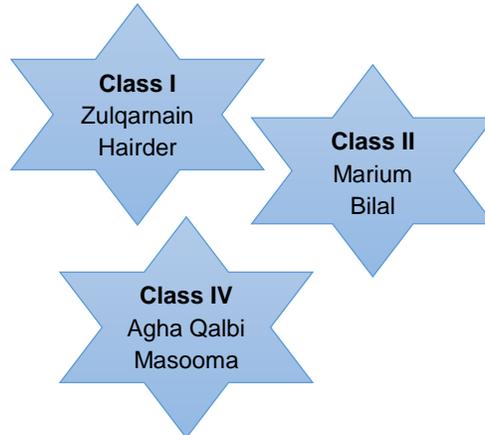

## IKLC

“It’s nice to have valid competition, it pushes you to do better”

There is no doubt that education is the secret key of human success and the roots of education lie on competitions. Everybody loves their comfort zone but we should challenge ourselves to go beyond our limits. In this era, technology has apprehended our lives. New ways and techniques have been introduced in every field of life. Our children are not less than any other kid and to explore their interest, competition plays a vital role.

IKLC is effective way for bringing up the schoolchildren with an aptitude of a research scholar and it also give a chance to children to spread their wings. It also helps them to understand their own strengths and weaknesses. To lay emphasis on these objectives. On October 8, 2020 Settians also participated in IKLC. The SET School Campus 1 Primary students made all of us proud by securing top positions in International Kangaroo Linguistic Contest (IKLC).

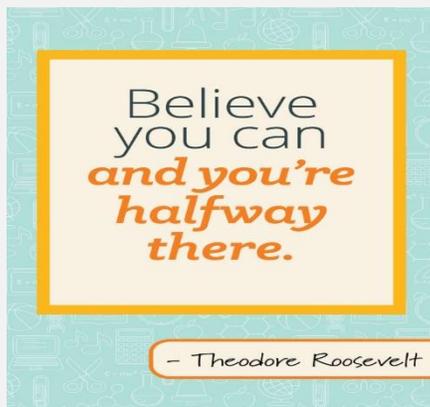

## Scratch Programming

"As kids work on Scratch projects, they learn to think creatively solve problems systematically -- skills that are critical to success in the 21st century"

To make our wards successful and to help develop 21st-century learning skills i.e. critical thinking, creativity, communication, and collaboration, The SET School introduced the Scratch programming for grade VI till VIII in the session 2020-21. SCRATCH is a programming language that helps in creating interactive stories, animations, games, music, and art that can be shared on the web.

As students create Scratch projects, they learn important mathematical and computational ideas, along with gaining a deeper understanding of the design process. The main purpose is to turn SETTIANs from media consumers into media producers, enabling them to create their own interactive stories, games, music, and animation for the Web.

### World Brain Day

Every year World Brain Day is celebrated in July, In 2020, the theme is Move Together to End Parkinson's Disease.

According to a study, the burden of stroke disease has increased nearly 100% in our country. And in the time of COVID 19 pandemic, patients of neurological diseases are facing a tough time. Their treatment process has been deeply affected due to the lack of access to their doctors and inavailability of medicines. The stress and depression due to lockdowns and the fear psychosis have also increased the number of such patients. A major awareness for brain health is the need of the hour. Our food habits and lifestyle have a major impact on our brain health. At the same time, it is also important to know about the initial symptoms of neurological problems so that early treatment can be initiated. In our session, students participated actively. They shared different articles, pictures, and videos.

## Independence Day

"True independence and freedom can only exist in doing what's right"

Nations celebrate national days to rejoice and celebrate the fruits of freedom and progress. Independence Day is a national occasion in Pakistan. It reminds about the day when Pakistan accomplished autonomy and was pronounced a sovereign country after the end of the British Raj in 1947.

Pakistan's Independence Day pays homage to people who devoted their lives to Pakistan's freedom movement and made sacrifices to attain a separate state.

This year the SETTIANs celebrated Independence Day differently. Due to COVID, it was celebrated virtually on Zoom. They dressed up for the online celebration, wore badges, kept flags in the background and sang patriotic songs. Students also took part in Independence day speech, singing and poster competition. During the celebration, students pledged to love Pakistan and work for the progress of the country.

## S.St Quiz

Students like to experiment with different technologies to support their learning, largely because they enjoy using applications and games designed for such devices

This year SETTIANS besides their online classes participated in an online quiz competition about Struggle for Independence. This quiz was designed on Kahoot!

**Kahoot!** is a game-based learning platform, used as educational technology in schools and other educational institutions. It is a free student-response tool for administering quizzes, facilitating discussions, and collecting survey data. Questions are projected on a shared screen, while players answer the questions with their smartphone, tablet, or computer; creating a social, fun, and game-like environment. Kahoot! helped in creating fun learning experience. Kahoot! can be used for assessing students in a different manner. It also gives a break from traditional classroom activities.

## Teaching Online During Pandemic

The SET School organized online competitions for students: Online story writing competition, Kahoot quiz, Independence day competitions. The unsettling situation led the school to use EdBox for annual examination too. So, for the first time SETTIANS from pre- Nursery to Grade X took their online examinations. Over time, the importance of a virtual classroom is established. The SET School aims to improve students' learning through blended learning (online and physical classroom learning). The administration is confident and optimistic about a better future for students using both platforms together.
